LIFE GROUPS START IN SEPTEMBER!

Our Life Groups are designed to be a place where you can interact with God's Word while you connect with others through conversation and fellowship.

Here at Crosslink, we love our weekly worship gathering but we recognize as we grow bigger, we must also think smaller. The worship hour is wonderful for praising Jesus collectively and for hearing the truth from God's Word during the sermon, but it is difficult to form friendships and to ask questions.

That's where a Life Group comes in.

Joining a Life Group provides an opportunity to get integrated into a supportive community that goes beyond the weekly worship gathering.
